CASTING CROWNS

Robert's Ramblings

By Robert Fulton
Program Director
Mid days 10am-3pm

Hi everyone! New Life is already almost 2 years old, which is hard to believe. What's not hard to believe, however, is how much you all love this music (we do too!). We hear often that it is a blessing to you- and that's a blessing to us! Thanks to everyone who has come up at our remote, on-location broadcasts, concerts, events, or anywhere else we might be. Keep an ear to your radio and an eye on the website - there are plenty more events to come!

As we approach our second year, pray that the message and the music would continue to encourage believers, and reach the lost - because as the Bible tells us: "If I (Jesus) be lifted up, I will draw all men unto myself." - John 12:32

Thank you all for listening, and God Bless!

The noon hour just got a whole lot better as we introduce the New Life 94.5 Lunch Break! Every weekday starting at noon, Robert will be featuring your requested music, playing fun trivia and giving away plenty of free swag from the New Life prize vault!
