*She is clothed with strength and dignity; she can laugh at the days to come, she speaks with wisdom, and faithful instruction is on her tongue. She watches over the affairs of her household and does not eat the bread of idleness. Her children arise and call her blessed, her husband also and he praises her, many women do noble things but you surpass them all.*

## Robert's Ramblings

**By Robert Fulton**  
**Program Director**  
**Mid days 10am-3pm**

It's May. Schools are letting out. Days are long. Summer is fast arriving. And we at New Life are gearing up for another busy summer! The Salvation Army Secret Service kicks into gear this month - and when we think of the work of the Salvation Army, we often think of Christmas, but that work goes on year round. It reminds me that we shouldn't save our generosity and giving spirit for part of the year, but to always look for opportunity to reach out to those around us. Jesus talked about that very thing, and after a list of things that could be done (feeding the hungry, clothing the naked, and many others), He told us "Whatever you've done for the least of these, you've done for me." (Matthew 25:40)

So this summer, as some of the busiest days of the year kick off, don't forget to look around you for "the least of these" and reach out to them.
