Robert's Ramblings

By Robert Fulton
Program Director
Mid days 10am-3pm

Autumn is a season of waiting. Waiting for holidays, or winter, or the Super Bowl, or warm weather again. I've noticed since the eclipse that we're hearing a lot about the Lord's coming. There are even some that say by the time you read this, it should have happened already. Since you're reading this, that obviously hasn't happened yet. Take a look at this:

7 "Be patient, then, brothers and sisters, until the Lord's coming. See how the farmer waits for the land to yield its valuable crop, patiently waiting for the autumn and spring rains. 8 You too, be patient and stand firm, because the Lord's coming is near." – James 5: 7-8

I don't know when He'll come back. No one knows exactly when that will be. But the question isn't when, but about being ready. Be patient. Stand firm in your faith. And spread the love of God to a world that needs it. You can be a light in the darkness and warmth in this season of cooler weather, by shining HIS light.

COOKIN' WITH COACH - Chris "Coach" Akers

If you've ever had a food-based conversation with me, you know I have a soft spot for nachos. Beef nachos, pulled pork nachos, fajita nachos....you name it and more than likely I have partaken in it. However, one big misconception is that all nachos must be meat-based. Not true! As an example, here is a special recipe for all of you sweet tooth fans out there....Apple Nachos!

Ingredients:

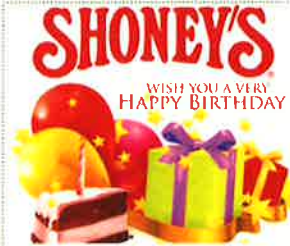

4 Pink Lady apples,
cored and thinly sliced

1 c. peanut butter melted
1 c. chocolate chips, melted
1 c. chopped Reese's miniatures
1 c. Reese's pieces

DIRECTIONS

1. On a large plate, arrange apple slices on top of one another. Drizzle half of the melted peanut butter and melted chocolate on top.
2. Sprinkle with chopped Reese's candies. Then drizzle with more melted peanut butter and melted chocolate. Enjoy!
