WHERE IN SOUTH CHARLESTON IS ROBERT?!

You hear him each weekday on air. You've seen him at concerts and events across the tri-state. But the City of South Charleston and New Life 94.5 want to know....WHERE IS ROBERT?!

Yes, mild mannered Robert will be flying the radio coop over the next few weeks, taking Worship Night in America tickets with him. Be listening for clues as to where Robert will be hiding within the city of South Charleston boundaries. Be the first to go find him and you will score a pair of tickets to the show!

If we love one another, God
lives in us and his love is made
complete in us.

Robert's Ramblings

By Robert Fulton
Program Director
Mid days 10am-3pm

Happy February! It's a busy month for us - the Roadshow tour, concerts in the upcoming months, even beginning the planning for summer! One of my favorite things this month is Valentine's Day. Whether you're single, in a relationship, or married, I think we can agree that love is a pretty amazing thing. And when it really comes down to it, Love - in the form of Christ - saved the world. I know it's one of the first verses we learn in Sunday School, but remember that God loved you so much that *"...whosoever believeth in Him shall not perish, but have everlasting life."* - It's the love of God that gives us hope.

If you're feeling a little "unloved" remember, God Loves YOU. Whether or not that's a stock "Sunday School Answer" or not, it's the truth. And The Way, The Truth and The Life loves you so much, He gave His life for you. The greatest Love on Earth was and is for you!

COOKIN' WITH COACH! - Chris "Coach" Akers

Well, we are now into February which typically means I have already tossed the diet plans. Here comes Valentine's Day, complete with all the chocolate goodies. My will power to follow a full-blown diet may have subsided but I still try to eat relatively healthy. I stumbled across a recipe for strawberry popcorn that will make that Valentine's evening of Netflixing a little less fattening.

Ingredients:

- ◆ 1 pkg. of microwavable popcorn
- ◆ 1 tbs. of butter
- ◆ 1 c. freeze dried strawberries
- ◆ 1 c. dark chocolate chips

Pop the popcorn per the package instructions. After popping, melt butter in a pan and add the popcorn. Distribute evenly. Use a food processor to blend 1-2 tbs. of the strawberries. Sprinkle the strawberry dust over the popcorn. Spread the popcorn out on a sheet of wax paper, sprinkling the remaining strawberries over the popcorn. Melt the dark chocolate chips and drizzle over the popcorn. Let cool and store in an air tight
