## Robert's Ramblings

**By Robert Fulton**

**Program Director**

**Mid days 10am-3pm**

Are you making a New Years Resolution? It's a pretty normal thing to do. And like most of us, I make them too. Also like most of us, I have a hard time keeping them. The most common one for everyone is almost certainly to "Eat better/lose weight/go to the gym", and other things of that nature. I think when a New Year comes, most of us (myself included) take time to say "How can I be better?" Check this verse out:

*"Remember not the former things, nor consider the things of old. Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert." - Isaiah 43:18-19*

Whatever new resolution you're making, whatever new thing you're taking on, resolve first to follow the Lord into it. Don't dwell on the past, but follow Him into His "new thing"- It may look like a wilderness sometimes, but He always makes a way!

## COOKIN' WITH COACH - Chris "Coach" Akers

So now that a new year has arrived, it's time for me to do my annual "I'm going to eat healthy" pledge. While it unfortunately never lasts that long, it is good while it lasts. So this month, with that in mind, I want to share with you my wedge salad on a stick recipe.

### Ingredients:

- ◆ 5 slices of bacon, cooked and chopped in quarters
- ◆ 1/2 head of iceberg lettuce, cut into 10 bite-sized chunks
- ◆ 1/2 onion, roughly chopped
- ◆ 1 ripe avocado, diced
- ◆ 10 cherry tomatoes
- ◆ Blue cheese dressing for drizzling
- ◆ Freshly ground black pepper

Onto a small skewer, add 1 chunk of lettuce, 2 quarters of bacon, a few slices of onion, a piece of avocado, and a tomato. Repeat to fill 9 more skewers. Drizzle with blue cheese dressing and season with black pepper. How easy was that?
