## Robert's Ramblings

**By Robert Fulton**  
**Program Director**  
**Mid days 10am-3pm**

Summer is in full swing, and our calendar at New Life is full to go along with it! We just finished the Power Factor competition, there are concerts, Faith and Family Night with the WV Power, Dive-In Movies - there's plenty to do, and we'd love to see you at any or all of these! The Salvation Army "Secret Service" is going on too! And just like the work of the Salvation Army shouldn't be a secret, neither should our faith. Check this out:

*"Go into all the world and preach the gospel to every creature." Mark 16:25 (NKJV)*

That doesn't mean you need to go all the way to the other side of the planet - although some are called to do things like that - but in our everyday application, you could say "Go into YOUR world, and preach the gospel." What's that? You don't preach? No problem! You can "preach" the Gospel by living it out in your everyday life. Small things - helping a neighbor with their lawn in the hot weather, carrying someone's groceries, doing The Drive Thu Difference - all these are little ways to spread the love of Christ each day. So as the kids are out of school, show them that each day, we can spread Christ, and the door to sharing Him opens through even the smallest kindnesses.

### **COOKIN' WITH COACH** - Chris "Coach" Akers

There's nothing worse than coming home and facing the daunting task of cooking dinner, especially during the summer. It's hot, you're tired and nothing sounds good.

I'm built more for comfort than speed so anything I can do to make cooking simple and easy I'm all for! And one of the easiest (yet delicious) treats I know of is Taco Dogs!

#### Ingredients:

- 2 tsp. oil
- 8 oz. ground beef sirloin
- 1 tbsp. chili powder
- ½ c. prepared salsa verde
- 6 grilled hot dogs with toasted buns
- Shredded cheddar, crushed tortilla chips & shredded lettuce (all for serving)

In a 10" skillet, heat oil on medium-high. Add ground beef sirloin and chili powder. Cook 2 minutes or until cooked through, breaking up the meat with a spatula. Stir in salsa verde, cooking 1 minute. Spoon over the hot dogs in buns and top with cheese, chips and lettuce. Enjoy!
