To be eligible to participate, players must have been enrolled in a West Virginia school during the 2017-18 school year. The grade of their enrollment will dictate their group classification. Example: If a player was enrolled as a 5<sup>th</sup> grader at the conclusion of the 2017-18 school year, he/she will be eligible to compete in the tournament as a 5<sup>th</sup> grader. This will be a co-ed tournament and teams will only compete against those assigned to their classification.
