## The View From The Back Pew

**By Chris "Coach" Akers**

**Saturdays 4-8 PM**

As you have read earlier in this publication, we are doing our annual *Do It For Dad* contest where we ask you the listeners to write in and tell us why your father is deserving of a special prize pack we will be giving away. That got me to thinking about my dad.

It would take multiple pages for me to tell you all he's done for me over my lifetime. He truly has been a mechanic, electrician, chef...you name it and he has filled that role for me. Most importantly, though, he provided me and my brother with a loving Christian home. There was never any question on what was wrong or right, never any "gray" areas. I'm so thankful for that today.

But it's the love of our heavenly father that we need to stay focused on, not just at Father's Day, but EVERY day. He is the only way to eternal life. Do you know Him today? If not, it's my prayer that you become acquainted soon. That will make Father's Day even more meaningful.

**Mid days 10am-3pm**

Summer is here! Vacations and concerts and trips to the pool all lie ahead for the next few months. New Life is no less busy, with our recent Salute to Grads, or the New Life Power Factor. It's amazing to see the talents and gifts people have been given, and even more so to see them share those things. Did you know you have a gift too? To spread this amazing news of Christ. Take a look:

*"And you will receive power when the Holy Spirit comes on you, and you will be my witnesses in Jerusalem, and all Judea and Samaria, and to all the ends of the earth." Acts 1:8*

What an amazing gift - to spread the love, the joy, and the saving message of Christ everywhere we go. Our "Jerusalem" is the world around us every day, no matter where we are. Spread that message to someone who needs to hear it, and watch the Lord move in ways we can't imagine. That's power!
