### SALVATION ARMY TREE A SUCCESS!

Thanks to the generosity of our listeners and the community, all of the angels on The Salvation Army Angel Tree were once again adopted!

Because of your kindness, hundreds of children in Kanawha, Putnam, Clay, Roane, Boone, Logan and Mingo counties experienced the joys of gifts under their tree on Christmas morning. A special thank you to Poca Valley Bank for once again sponsoring this year's Angel Tree.

## The View From The Back Pew

By Chris "Coach" Akers

Saturdays 4-8PM

Wow...what a year 2018 was for all of us here at New Life 94.5! We have been blessed beyond measure to continue sharing the love of Jesus Christ thru song since Easter morning of 2015 and look forward to what He has in store for us in the new year.

Not a week goes by that I'm not told by one of our listeners how much New Life 94.5 and the music we play means to them. Christian music is unique in that its message is 100% TRUE. No other genre can honestly make that claim.

I've heard countless testimonies from our listeners who have told about how they now have a "new life" because of the melodies of hope and God's unwavering love found in our music. That's powerful! I pray that we never lose focus of that or take it for granted.

But it gets me to thinking. People are always watching (or in this case, listening) to us as Christians. It's easy to put on a good show when you know you're being watched. But what about the times you don't realize anyone is even close by? How do you act then?

As we jump head-first into 2019, we all make resolutions. A lot of them will certainly center around our physical condition. "I'm going to exercise more" or "I will start a diet right after the holidays" are common. I've been guilty of making those pledges, only to fail miserably. But what about your spiritual well-being?

If you don't know Jesus Christ as your personal Lord and Savior, or you have drifted away from Him, I pray that this will be the year you make the decision to change that. Of all the resolutions you make, please don't break this one.

From all of us here at New Life 94.5, Happy New Year. We look forward to a great 2019!
