God's Love

. February is the month that we celebrate love. The love we have for our children, spouses, and friends. Loving our neighbors, our coworkers, and the strangers on the street isn't always as easy as the ones closest to us.

Our whole existence starts out pure and innocent without hate. God didn't intend for us to judge one another or to turn our cheek from each other. He wanted us to be kind and to show his love through us.

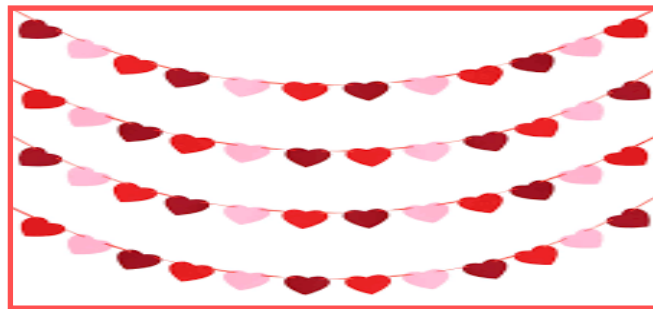

I know there are times when it is difficult to set aside differences and to be the bigger person. We still have human tendencies that control some of our thinking.

With God's help and guidance, we can all have a change of heart. He showed his love for us by sending his son to die on a cross. It was the ultimate sacrifice of love for all of mankind. This one act of love changed everything that was yet to come for everyone.

What God wants from us is to accept him and show his love. His love will never fail us and will always carry through.

1 John 4:16

“ And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them. “
