## THE RAMBLE

**By Patience Kascic**

**Sat : 4pm-8pm**

**Sun : 12am-4pm**

### *God's Beauty*

There isn't anything I don't love about the Fall season. Everything from pumpkin flavored foods to the Autumn colors changing, is what makes this season my favorite of them all.

As the months to come remind us more of what God has given, now is a perfect time to reflect and acknowledge God's beauty with every season. The beautiful colors and art-work God has used within the fall season are one of the many reasons I love this time of year.

Even though most days it may feel like God is not present, all you have to do is notice each color of the falling leaves. There would not be so much beauty in the world if God didn't create every living thing. He has his hand in the works of all things that are created.

**Psalm 24 : 1**

**"The earth is the Lord's, and everything in it, the world and all who live in it"**

The Lord is consistently working to show you his beauty and all he has created.
